I have strong computer skills and an good amount of self taught coding experience which I developed during the COVID stay at home order. I completed a forklift driver training through SafeLift forklift driving school. I am reliable, have dependable transportation, I am motivated and willing to work hard.

Authorized to work in the US for any employer

Work Experience

Staging Technician 1

INW ProForm Laboratories - Benicia, CA

August 2021 to October 2021

Currently still employed at this job, but for what I do in this position is that I write down lot numbers and stack pallets. I also have to drive a forklift so I have forklift experience. Driving in small spaces and pulling items from racks. From time to time they will have me running my own team. So I have been able to get experience for running a team.

Stocker/general laborer

Powell Brothers Feed - Vallejo, CA

August 2017 to November 2017

Maintained and stocked store shelves, cleaned animal cages to ensure safe, sanitary living conditions for animals in store, swept and mopped floors as needed, assisted customers with loading feed sacks and supplies into vehicles, and maintained a clean parking lot.

Ticket Processor

Infineon Raceway - Sonoma, CA

June 2016 to July 2016

Validated and took tickets during racing events at Raceway entrance. Assisted customers with directions to parking and seating. Maintained and directed safe traffic control.

Education

High school diploma in General education

Vallejo High School - Vallejo, CA

August 2017 to June 2018
